À PROPOS DE NOUS

ABOUT SENCROMA

We are company expertise in body perfume, soap, laundry fragrance, general fragrance, and natural essential oil.

We prioritize creativity in each of our works, where the various aromas we have are quite a lot and will continue to grow according to market needs.

We strive to be the best and preferred supplier in the industries and we are confident to be your technical expertise in your business.

“LET US
MAKE YOUR LIFE
EASIER”

POURQUOI NOUS

WHY US?

The first value which characterizing the company is the **reliability**. We believe that this is the pillar for creating relationship of mutual trust with customers.

Reliability can be created through **good product** quality, availability of goods that are always available, availability to listen, and professional customer services.

OUR
MISSION

We want to satisfy retailers as much as the final customer so they can have the best experience, and best environments that always support them.

OUR
VISION

We want to become preferred supplier in the Industries always developing new innovative products build strong and intimate business relationship with customers over the years.

BEST QUALITY

AFFORDABLE

READY STOCK

FAST DELIVERY

PREMIER LABORATOIRE DE PARFUMS

FIRST OPEN FOR PUBLIC FRAGRANCE LAB

We provide a fragrance lab to facilitate each of our customers, so that they can be free to be creative in determining their own aroma or matching aroma. A large collection of aromas and guided by experts in the fragrance field, provides great opportunities in your business.

NOUS COMPRENONS QUE VOTRE TEMPS EST PRÉCIEUX

EXCLUSIVE TIME

We provide exclusive Fragrance Lab time and place for each of our customers, where each meeting only serves 1 customer, all attention, advice and expertise is only to serve one customer at a time.

MORE THAN
1000
AROME

We have more than 500 aroma inspirations, 500 creations, 200 basics, 100 natural essentials & extracts, and more than 100 aromatic chemicals and isolates collections.

This collection will continue to grow along with new innovations and creations created between our collaboration with our customers.

RÉSULTAT PRÉCIS

GCMS MATCHING

Right tool for the job, this guideline is what we apply in every aroma matching process, we have a partner with the capacity of a GCMS machine where this machine will provide accurate data in a given sample.

TERMES SIMPLES ET RAPIDES

QUICK & EASY TERMS

Every fragrance company can make or match aromas, but this doesn't come for free, they set large minimum quantities, downpayments and other things that can make it difficult for customers to do business.

At Sencetra you can customize and match aromas without any downpayment, the minimum order is small, and this will provide room for your business to grow.

ÉCONOMISE TON ARGENT

SAVE YOUR MONEY

you can take your time and money to focusing other things like packaging, advertisement, distribution or marketing stuff

NOUS VOUS OFFRONS DE LA FLEXIBILITÉ

WE GIVE YOU FLEXIBILITY

We provide freedom and flexibility that large companies cannot offer, namely, customers can buy in Small Quantities which will provide room for customers to continue to grow and develop.

We also offer several other conveniences in creating or matching aromas.

GRAND RÉSEAU

LARGE NETWORK

We have many networks across the globe to provide the materials needed for making fragrance. so you don't have to worry about the availability of materials.
